Permission for Collaboration for Your Child's Health Health Care providers, Health Plans and Health Departments

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

What is FERPA?

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. Generally, schools must have written permission from the parent, or student if over 18, in order to release any information from a student's education record.

Permission for what?

Detroit Public Schools Community District is requesting your consent because we may need to share information contained in our student records with your child's Health Care Provider, Health Insurance Plan, a School-Based Health Service Provider, or as required by law, including to the Michigan and Detroit Departments of Health. Health Care Providers are the physician(s) or nurse practitioner(s) who take care of your child, as noted in the district's records. A Health Plan is an organization that administers your child's health care benefits, such as Medicaid or a health insurance company.

Why is this important?

This consent form allows the district, when requested or necessary by law, and/or to assist with coordination of health care, including benefits, by sharing health information from the student's education record. Without your consent, the district is limited in how it can collaborate with your child's Health Care Provider, Health Insurance Plan, or a School-Based Health Service Provider to help you or your child.

What this form does not do.

- This form only authorizes the district to disclose information for limited purposes, with your consent. Each Health Care Provider, Health Insurance Plan, or a School-Based Health Service Provider may have its own way of getting permission from you for them to share information with the district.
- Your signature does not authorize the district to obtain medical treatment for your child on your behalf.

**Please help us link you and your child to health services
by signing and returning the previous page.**

Directory Information Opt-Out

The Family Educational Rights and Privacy Act, a federal law, and Detroit Public School Community District (“District”) Board Policy allows districts to disclose designated “directory information” to third parties, unless a student’s parent or legal guardian opts out.

Directory information includes the student’s name, school name, participation in officially recognized activities and sports, height and weight (if member of an athletic team), date of graduation, awards received, telephone numbers and/or home addresses (for inclusion in school or PTA directories), and school photos or videos of students participating in activities, events or programs. Only directory information regarding a student shall be released to any person or party, other than the student or his/her parent, without written consent.

Director information is commonly used in school publications, yearbooks, activity and athletic programs, television productions, web sites, as well as inquiries from community partners, other schools, and potential employers. In addition, the District is required by law to provide, upon request, military recruiters with the same access to directory information as is provided to prospective employers.

We take student data privacy seriously. Parents or guardians should complete this Directory Information Opt-Out Form if they do not want some or all the directory information shared with third parties. **The form can be completed online at <https://bit.ly/DPSCDoptout>.**

Student Technology Use Agreement

AGREEMENT FOR STUDENT USE OF LAPTOP COMPUTER

This Agreement is made by and between Detroit Public Schools Community District (“DPSCD”) and the student (“Student”) named in this online form and is effective upon submission. DPSCD and Student agree as follows:

A. Purpose of Agreement. DPSCD is pleased to make available for Student’s use, in connection with his/her enrollment with the District, a laptop computer and/or LTE internet hotspot for the purpose of conducting schoolwork. It is intended only for the use of the DPSCD student to whom it is assigned. Student’s permission to use the laptop is strictly subject to the terms and conditions of this Agreement. Read the Agreement for Student Use of Laptop Computer to understand the terms of use for district technology. For the purposes of this Agreement, the term “laptop” or “laptop computer” shall refer to the laptop computer assigned to the Student, along with all accompanying peripherals, including an LTE internet hotspot, received with the laptop computer or as may from time to time be provided for Student’s use under this Agreement.

B. Student’s Rights and Responsibilities.

1. **Term of Use of the Laptop.** Student shall be granted use of the laptop computer while enrolled in good standing with DPSCD. The use of the laptop shall be governed by the DPSCD Student Acceptable Use and Safety Policy (7540.03).

2. **Care of the Laptop.** Student shall maintain appropriate oversight and security of the laptop. Student may take the laptop computer home, or to other locations outside of school hours. Student is responsible, at all times, for the care, security and appropriate use of the laptop computer. Negligence found in securing items that are otherwise damaged, stolen, or misplaced may result in disciplinary action and/or repair or replacement fees.

3. **Return of Laptop to DPSCD.** Student must return the laptop to DPSCD within five (5) days upon the occurrence of any of the following events:

- a. Student ceases to be enrolled by DPSCD;
- b. DPSCD provides Student with five (5) days’ notice that the laptop must be returned; or
- c. Student fails to perform any of his/her obligations under this Agreement.

Upon return of the laptop to DPSCD, DPSCD shall have an absolute right to any and all information or data on the laptop and will have no liability whatsoever for the loss, destruction, or misuse of information or data on the laptop.

4. **Failure to Return Laptop.** If Student fails to return the laptop as required, DPSCD may exercise all options available to it under DPSCD policies and applicable state or federal law.

5. **Alterations and Attachments.** Student may not make any alterations in or add attachments, hardware, or software to the laptop computer absent express written permission from DPSCD, which permission is at the sole option of DPSCD.

6. Risk of Loss. Student agrees that from the time the delivery of the laptop is accepted and until the laptop is returned to DPSCD in its original condition, normal wear and tear excepted, Student shall be responsible for any loss or damage thereto. If the laptop computer is lost, stolen, destroyed, damaged where the repair costs exceeds the value of laptop or in the event of any confiscation, seizure or expropriation by government action, or if the laptop is not returned to DPSCD upon the events and within the time and manner required by this Agreement, then the Student shall be liable to DPSCD immediately upon demand for the payment of an amount calculated by DPSCD that is equal to the full replacement value of the laptop at the time of loss. Hardware or software additions made to the laptop at Student's expense are at Student's risk and will not be a factor in the fair market value of the laptop. If part of the laptop is damaged but repairable Student shall be liable for the expense of repairing that item if not covered by the manufacturer's warranty. If payment is not received, DPSCD, may exercise all options available to it, under applicable law.

7. Notification of Loss, Damage, or Malfunctioning. Student agrees to immediately notify DPSCD upon the occurrence of any loss to, damage to, or malfunctioning of any part of the laptop for any reason and cooperate in any police investigation required following the loss or theft of the laptop. DPSCD, at its option, may then terminate Student's right to use the laptop and any right Student may have to further participate in the staff laptop program. The laptop computer is configured for optimal use on the DPSCD network. Detroit Public Schools Community District's Technology Division will not assist Student at his or her home in order to connect the laptop to other Internet providers.

8. Inspection by DPSCD. Upon reasonable notice, Student shall permit persons designated by DPSCD to examine the laptop computer.

C. DPSCD Rights and Responsibilities

1. Ownership of Laptop. The laptop computer is and shall remain DPSCD property.

2. Enforcement of Manufacturer's Warranty. Upon receipt of a written request from Student during the term of this Agreement, DPSCD shall determine if it will take all reasonable effort to enforce any manufacturer's warranty, express or implied, issued on or applicable to the laptop computer and which is enforceable by DPSCD in its own name. DPSCD will make reasonable efforts to obtain for Student and Parent all service furnished by the manufacturer in connection, therewith; provided, however that, DPSCD shall not be obligated to commence or resort to any litigation to enforce any such warranty. If any such warranty is enforceable by Student in his or her own name, upon receipt of a written request from DPSCD during the term of this Agreement, Student shall take all reasonable action requested by DPSCD to enforce that warranty, and Student shall obtain for DPSCD all service furnished by the manufacturer in connection therewith. **DPSCD SHALL HAVE NO LIABILITY WHATSOEVER FOR THE LOSS, DESTRUCTION OR MISUSE OF ANY INFORMATION, SOFTWARE OR DATA EXISTING ON THE EQUIPMENT. PROTECTION AND BACKUP OF DATA ON AND FOR THE EQUIPMENT IS STUDENT'S SOLE RESPONSIBILITY.**
