

VACCINATION FAIR + FOOD BANK

Detroit Health Department
Detroit Parks & Recreation

- The Detroit Health Department, in partnership with the Detroit Parks & Recreation, will be offering vaccines at emergency food distribution sites this summer! See the schedule below!
- Come pick up FREE meals and receive vaccines for your entire family!
- Vaccines are FREE for children ages 18 and under who qualify for the Vaccines for Children (VFC) Program.
- We also accept insurance, so please bring your current insurance card.
- Parent/guardian ID must be presented onsite.
