

# THE SCHOOL AT MARYGROVE

## QUARTER ONE AWARDS

Screenshot from  
Wellness Symposium,  
11-24-2020

Dear Marygrove Students & Families,

We just closed out a lovely, daylong Wellness Symposium, as organized by Student Council and feel more connected to our students than ever. :) These first three months of the school year have been difficult to say the least; today's program was proof that we are stronger together. Please enjoy this special edition newsletter. Your students are the future of the city and they belong in our school building with their teachers and each other. Stay safe, every day, and know that the safer we stay apart, the sooner we will be able to come together.

With love,  
TSM Leadership.
