Dear Central High School Parent/Guardian(s),

We hope that you all continue to be well. On behalf of the Administration and Staff, we would like to first and foremost CONGRATULATE your child for persevering through these challenging times and making it to their Senior Year! To celebrate our students, we would like to provide you with important End-of-Year Guidance as we prepare to receive you at these upcoming events. The Michigan Department of Health and Human Services (MDHHS) has provided guidance on how to hold safer high school end-of-year events – such as prom, graduation, and year-end parties during the COVID 19 pandemic. End-of-Year School Events Testing Recommendations include: Testing any student, staff, volunteer or other attendee who will participate in the end-of year event within 24 hours of the event.

Central High School will be partnering with Ascension Health Center in an effort to provide you with easy access to the COVID-19 rapid antigen test. Specific testing times for students and/or guests will be assigned. You may also obtain a COVID-19 rapid antigen test from CVS Pharmacy or any other location. Anyone who plans to attend an end-of-year event **MUST** obtain a negative COVID-19 rapid antigen test **within 24 hours** before participating in the event. Proof of a negative test result must be shown to be admitted into all events. **If you test positive, you WILL NOT be allowed to enter the event.**

Please review the list of dates/times outlined below regarding upcoming activities for Seniors. There will be a Senior Conference with the School Counselor on Thursday, May 27, 2021 at 2:40pm via TEAMS. Also note that if your son/daughter doesn't meet the graduation requirements, you will receive a Non-Grad Letter in the mail beginning Monday, June 7, 2021.
