## Principal Stroughter's Corner

Fall has begun and we are in full swing. Students should be used to the cadence of Renaissance as we work our way into the second month of school.

Covid testing occurs for last names A-L on Mondays and M-Z on Wednesdays. Students must know when their appointment time is and report directly to testing at their designated time. Testing should take no more than 15 minutes to get through the line and back to class. We ask that all students be responsible and take care of their business in a timely fashion with minimal class disruption.

Parents, we ask that if your child does not feel well, please keep them at home and get them tested. We have nearly 1,200 students and staff to keep safe and this is a major mitigation factor.

If your student must isolate due to being positive or a close contact, they may join their classes via Teams, the appropriate quarantine attendance code will be used.

Please ensure that your student comes to school on time every day in dress code ready to learn. We appreciate your support and look forward to a great year!

# Student Lunch Time

We would like to reiterate a few things about the “social hour” called lunch. We are still amid a pandemic and we need to be mindful of this. During lunch, please remember:

Try to sit with the same people at the same table each day and stay seated during the entire lunch period.

When not eating or drinking, please keep your mask on.

Seniors may eat outside; BE SURE TO THROW TRASH AWAY.

Seating has been expanded to the atrium to aid in social distancing.

Students must have a pass to leave the café, that includes going to the media center.

## After School Tutoring

- Monday – Thursday, 3:30pm – 5:30pm
- Teachers available for ELA, Math, Science, Social Studies
- Students on academic probation & those with attendance make up time must report each session.
- Students reporting to tutoring must be in the room and out of the hallway by 3:30pm.

# Parent Teacher Conferences

Virtual conferences will be held on Wednesday, October 13<sup>th</sup> from 2pm – 6pm.

Due to the limited number of spaces per teacher, we ask that you make an appointment, honor the 5-minute time frame and only see teachers where your child is struggling and has a D or F.

Appointments can be made until Tuesday, October 12<sup>th</sup> at 5pm.

Please review the Conference Reminder document for more information.
