WIN THE FIGHT AT HOME!!

Fighting For The Right To Fight!

WHO: African Americans all around We are counting on YOU... YES YOU! Join The Cause and help us fight to win both battles at sea and at home!!!!

HELP WIN ABROAD!

PURPOSE: This campaign is to explain our victories. For our Over Sea battle, we would like you to help by supporting the war effort. You do so by, buying war bonds and stamps, contributing to blood banks, and conserving waste materials. At home, you could by, challenging the racial discrimination, focus on fighting the poll tax and for legal rights, seek equality in education, and getting equal chances to work.

WHAT: We want YOU ALL AFRICAN AMERICANS to help us achieve a DOUBLE VICTORY. We want a victory in the war abroad and a victory against the discrimination on the home front of The United States.

Together we can WIN! Together we can FIGHT!

Help fight for yourself AND your people.. You won't regret it !

Welcome

Student Speaker
