

September 25, 2025

**Notification of Pesticide Application**

This is to notify you that the **Mary McLeod Bethune Elementary-Middle School**, located at 8145 Puritan Street, will receive a treatment of a pesticide application on Saturday, September 26, 2025, for German Cockroaches throughout the 2<sup>nd</sup> floor including janitor's closets, restrooms, classrooms, hallways, and any other areas deemed necessary.

Terminix-Ehrlich Services, a licensed pest control contractor working for the district, will apply the pesticide treatment.

Sincerely,

Michael A. Flowers, MSA

Assistant Director

**Detroit Public Schools Community District**
