Notification of Pesticide Application

This is to notify you that the **Priest (Main Building) Elementary-Middle School** located at 7840 Wagner Street, will receive a treatment of a pesticide application on Saturday, April 12, 2025 for Oriental Cockroaches throughout the main building including janitor's closets, restrooms, hallways, the kitchen/cafeteria areas, and any other areas deemed necessary.

Ehrlich Services, a licensed pest control contractor working for the district will apply the pesticide treatment.

Sincerely,

Michael A. Flowers, MSA

Assistant Director
